

## Construction Project Summary for 2011 Sturgis Rally

This information is subject to change. Visit [www.safetravelusa.com/sd](http://www.safetravelusa.com/sd) or dial 511 for the most up-to-date and complete road construction information.

### **INTERSTATE 90**

- West of Kadoka, mileposts 142 to 152 – Single Lane Traffic, Reduced Speed, 12 ft. width restriction
- West of I-90/S.D. 63 Jct., mileposts 161 to 176 – Single Lane Traffic,
- Near Okaton, milepost 180 to 181, Single Lane Bridge, 12 ft. width restriction
- West of Plankinton, mileposts 297 to 309, Single Lane, Reduced Speed, 12 ft. width restriction
- West of Sioux Falls, mileposts 390 to 398, fresh oil and loose gravel on shoulders, no passing

### **S.D. HIGHWAY 34**

- South of Flandreau, mileposts 407 to 422, Gravel Surface, speed limit 55
- Near Woonsocket, mileposts 327 to 329, Reduced to one lane with flaggers

### **U.S. HIGHWAY 212**

- East of U.S. 83 between mileposts 224 and 236 and west of U.S. 83 between mileposts 205 and 219, Pavement Repair, one lane, 10 minute delay

### **RAPID CITY AREA PROJECTS:**

#### **U.S. 16B – Catron Boulevard in Rapid City from U.S. 16 to S.D. 79**

Work will continue through the Sturgis Motorcycle Rally. One eastbound lane and one westbound lane are open in each direction.

#### **I-90 - MRM 62.0 to 94.0 - Mill & Overlay Project**

No work or lane closures on WB I-90 from 8/4 through 8/14. No work or lane closures on EB I-90 from 8/6 through 8/14.

#### **Anamosa Street from Haines Avenue to Midway Street in Rapid City**

Work will continue through the Sturgis Motorcycle Rally. Anamosa Street remains closed with a detour provided and lane closures on Haines Avenue may still be in place during the Rally due to low concrete strength results.

#### **U.S. 14A / U.S. 85 / S.D. 34 – Epoxy Chip Seal Overlays**

No work or lane closures on the project 8/1 through 8/14.

#### **I-90 – Epoxy Chip Seal Overlays**

No work or lane closures on eastbound I-90 from mileposts 0 to 9 from 7/30 through 8/10. No work or lane closures on westbound I-90 from mileposts 0 to 9 from 8/10 through 8/14.

#### **U.S. 14A – Mill and Overlay from Deadwood to Lead**

No work or lane closures on the project from 8/1 through 8/14.

#### **S.D. 79 – Hermosa to Rapid City – PCC Pavement Repair**

Lane closures currently in place on SB Hwy 79 from MRM 69-62. All lanes open to traffic through the project from 8/4 through 8/14.

**Spearfish Main Street – Grant Street to Jackson Boulevard**

All lanes to be open to traffic on Main Street and side streets from 5:00pm on 8/5 through 8/14.

**East Anamosa Street in Rapid City – LaCrosse Street to Century Road**

Work will continue through the Sturgis Motorcycle Rally on East Anamosa Street. One eastbound lane and one westbound lane remain open between LaCrosse Street and Wal-Mart as utility crews install new water and sewer in the same area.

**East North Street in Rapid City – Pine Street to Cambell Street**

Work will continue through the Sturgis Motorcycle Rally. One eastbound lane will remain closed for the duration of the Rally to accommodate utility work. Both westbound lanes and the center turn lane will be open during the Rally.

**Radar Hill Road in Box Elder**

Work will continue through the Sturgis Motorcycle Rally, however, no traffic impacts are anticipated as all work to date takes place off of the existing alignment.

**BELLE FOURCHE AREA PROJECTS:**

**I-90 - EXIT 10 interchange at Spearfish**

I-90 from mile marker 9 to mile marker 11 will be open to normal traffic flow.  
U.S. Highway 85 from cross over to cross over has two-way traffic in the northbound lane

**Colorado Boulevard**

Open to normal traffic flow

**U.S. 85 at Exit 17**

Open to normal traffic flow

**Spearfish Canyon from Colorado Boulevard to Spearfish Creek Bridge**

Open to normal traffic flow.

**CUSTER AREA PROJECTS:**

**U.S.18 from Oglala to Pine Ridge**

All rough grading should be complete by the first week in August. An asphalt surface treatment will be complete from Oglala to 4 miles west of Pine Ridge (Calico bridge) with the last 4 miles to be treated with magnesium chloride prior to the Veterans' Pow-Wow on August 4-8. All work will be suspended during this time.

**Heartland Expressway (U.S.18 from Smithwick to Oelrichs)**

Approximately 4 miles of rough grading has been completed for two new driving lanes. Work will begin on the bridge over Horsehead Creek at the beginning of August. Traffic is not impacted.

**U.S.16 and S.D. 244 from Hill City south and east to Mount Rushmore**

Work has been suspended and will resume on August 15th after the Sturgis Motorcycle Rally.
